### Morgan Ranch Horse Versatility Terms & Conditions

For purposes of this event MRV denotes Morgan Ranch Versatility as a grouping of classes used to determine the Champion & Reserve Champion in the Morgan Ranch Versatility. To be eligible, horses must be registered with the American Morgan Horse Association and a copy of the papers must be in the Show Office. Morgan Ranch Horse classes follow the guidelines as established by AQHA VRH with the following exceptions: 1) There is no membership requirement to enter the classes; 2) Any age horse three years & over may be shown 2-handed in snaffle/hackamore or 1-handed in bridle; 3) Not penalized for trimming ears; 4) Not penalized for silver on tack; 5) Breast collar and/or back cinch not required; and 6) Ranch conformation open to ages 2 years & over. Exhibitors may enter one or any number of classes. Each class will be judged and placed on its own merits. However, to be eligible for the Champion & Reserve Champion Morgan Versatility title a horse-rider combination must enter at least three of the five ranch classes. One of the classes must be Ranch Conformation. Although three classes must be entered & shown to be eligible, both remaining classes will count for points toward over-all Championship title. In each class, the entire class will be scored & placed. The Northern Stock Horse Organization's point system will be used for calculation of winners. Please see Ranch Horse Division guidelines for specifics in point tabulation methods.
