AQHA VERSATILITY RANCH HORSE

The title of All-Around Versatility Ranch Horse will be named in the Open, Amateur, and Youth Divisions. Each division is calculated independently for the number of horses competing in that Division. To be eligible for points in the All-Around Versatility Ranch Horse title, one horse-one rider must enter and show in a minimum of three categories: one of these categories must be a cattle class and the horse must also show in the conformation. One additional category must be entered and shown, although all remaining categories will count for points toward over-all title. In each class the entire class will be scored and placed. Ribbons for first to sixth in each class with Show "moola" to blue ribbon. Exhibitors competing for the All-Around title shall have their class placings entered into the all-around tabulation. Any ties will be broken using the highest score in the Ranch Cutting class followed by Ranch Reining, Ranch Trail and Ranch Riding. For complete rules and point tabulation method see AQHA Official Handbook, Section SHW550, Versatility Ranch Horse Division. Each Champion wins Bronze trophy and each Reserve Champion wins a Plaque. The balance of Top 5 in each Division earns championship ribbon & Top 5 Award.

The Northern Stock Horse Organization method of high point tabulation will be used. Every contestant will receive at least one point for participating in the class. Points are awarded depending upon number of entries. For example, if 30 entries in a class, first will receive 30 points, second place 29 points and so on until sixth receives 25 points.
